October 2018

Welcome back everyone and we hope that you all had a relaxing and enjoyable summer and feel recharged, ready for the year ahead.

Britain too, as I'm sure that you are all aware, basked in glorious sunshine with temperatures often hitting the high 30's.

The summer months are traditionally a quiet period in our communities social calendar with very little happening, nonetheless we still have The Club Sociale Italiano di Finchley's Scampagnata and The Italian Church's annual Procession and Sagra to report on.

Furthermore, for those of you who thought that we might enjoy a period of calm for the remainder of the year, we would like to remind you that our BGM will be

## Welcome

taking place this month, during which we will elect the new committee for OGI 2020.

And this new committee will face an onerous task, for not only will it need to organise the next games but 2020 will also see us celebrating 40 years of OGI. 40 years during which, over 12,000 young people, not to mention their parents and many thousands of spectators, have experienced and enjoyed this unique event in our communities calendar.

dar.

The committee will need to ensure that 2020 and the next 18 months is a celebration of our proud history. But we must also remember that for this to be possible, it will need the co-operation, support and help of all the teams, parents and competitors.

## Club Sociale Italiano di Finchley Summer Scampagnata

Sunday the 8th July was exceptionally hot and sunny, so a perfect day to hold a scampagnata. And so it was that the Club Sociale Italiano di Finchley held their annual summer scampagnata in the grounds of The Villa Scalabrini.

In the kitchen were Gaetano, Romeo, Vince et al, all busy preparing the various plates of antipasti, not to mention the various legumes for the main meal. While Cos, the Finchley team manager was manning the BBQ in preparation for lunch. There were of course many other helpers, too numerous to mention, tasked with getting everything that was needed ready in anticipation for the arrival of the many guests.

And so it was that over 120 people turned up to enjoy both each others company, some delicious food while helping to raise money for worthwhile causes.

Once the meal was over, people could take part in a variety of it's a knockout style games or else they could just spend the rest of the day relaxing, enjoying some fine wine while catching up with friends.

By the end of the day £1600 was raised, which will be divided between the Finchley OGI team and The Alzheimer's Society.

So well done to all the Finchley committee members and their helpers who worked tirelessly throughout the day, to ensure that the event ran smoothly. A special thanks must also go to everyone who kindly donated items for the raffle and the sponsors; IMS Butchers, Maren Meats, Filippo Berio, Boffa's Greengrocers, Carnevale & DiSotto food for their generosity.

### Italian Procession and Sagra

This years procession in honour of Our Lady of Mount Carmel and Sagra was held on Sunday 22nd July.

As in the past Italian associations and other people from across

the UK descended into Clerkenwell to take part in what has traditionally been the Italian communities curtain closer before everyone decamps and heads back to the motherland for their summer holidays.

This event was initially just a religious celebration, with the procession meandering its way around the streets of Clerkenwell or "Little Italy" as it used to be known. But as the years passed, the Sagra was introduced into the festival to help raise much needed funds for our church.

Initially the Sagra was located on the old bomb site in Warner Street, which also doubled as a car park during week days. When this was redeveloped at the end of the 80's the Sagra moved onto Warner Street itself, where it has remained since.

As well as the usual cake, tombola and bric a brac stalls, which one could find at most church fetes, what

set the Sagra apart from the rest, was the large number of stalls offering tasty fayre from across Italy. This early form of street food, plus the fact that you could enjoy a drink on a Sunday afternoon when pubs were traditionally closed, soon established the popularity of the Sagra not only with the Italians but the local populace too.

While the procession is no longer as long as it used to be, nor the number of visitors as great, many thousands of people still make their way each year to enjoy the colourful spectacle of the religious costumes, the floats, the marching bands and the food and drink.

For many years now, OGIC has had a stall at the Sagra, not to raise money but to promote the OGI games. This year however, in another first for us, we joined forces with the Associazione Valceno to help raise money for the Italian Church. The stall offered both food and drink and was manned by volunteers from both the Valceno and OGI committee and at the end of a busy day raised over £3000 for the church.

So well done to Adrian, Tony, Luciana, Francesca, Sandra and Mark for all their hard work.

### Vic Heissl

"Do you know that a man is not dead while his name is still spoken"

Terry Pratchett

The 26th July 2018 was the second anniversary of the sad passing of one of our founding fathers, our first and then Honorary President and lifelong supporter of OGI.

His determination and zeal gave us the games and his memory will live on forever in them.

RIP Vittorio
