"I was lucky enough to be involved in your golf day on Monday and wanted to say I thought the organisation and choice of location you could not fault one bit. Using the devices to record the scores and see the live updates made it more interesting going around the course! The course was up there with the best that I have played and the greens some of the toughest I have ever played. Thank you for a great day."

"Anyway, congratulations for the amazing arrangements of the day! "

"Thank you for organising a splendid afternoon, with the best weather of the week"

"We enjoyed the day very much, shame that our game let us down, we were only a few shots off the lead in the end"

"I can honestly say that I had a fantastic day."
